# MF 35

## THE PEOPLE'S TRACTOR

If you are thinking about buying your first tractor, the MF 35 is the perfect partner for your farm or contracting business.

The MF 35 puts tractor power within everyone's reach. It brings mechanisation to a new generation of farmers, farm workers and emerging agricultural businesses, transforming livelihoods and communities.

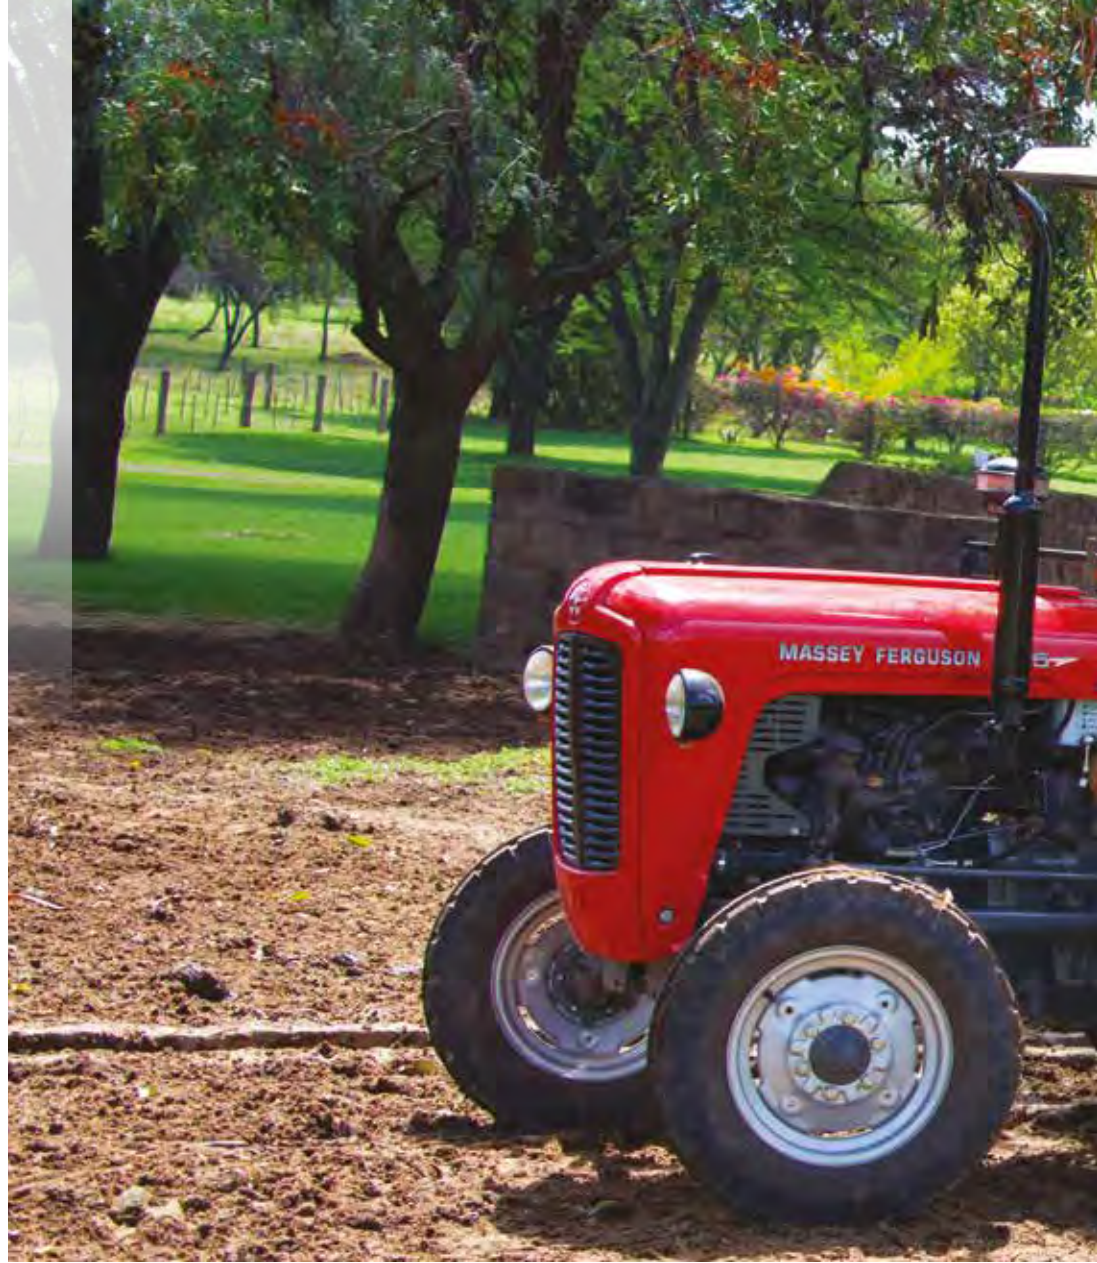

Best of all, the MF 35 comes from Massey Ferguson – a name highly trusted and well-respected amongst farmers worldwide.

## Simplicity and versatility

Well-proven, dependable, easy to-use and maintain, the MF 35 is the ideal multi-purpose tractor to help you develop your farming ambitions.

Use it for all those jobs around the farm - cultivation, planting, transport or yard duties. Set it to work in arable, livestock and horticultural operations, flower, tea and coffee production.

It's a highly versatile machine which will provide years of reliable service and repay your investment many times over.

A new highly-affordable tractor – straight from the showroom to your farm!

## Ideal specification and technical features plus a package of implements

- Rugged 36 hp (27 kW) engine – enough pulling power for a huge range of jobs
- Tried and tested 6-forward/2-reverse speed mechanical gearbox – provides a good range of speeds for field and road work
- Hard-wearing robust construction – for the roughest, toughest treatment
- Built in a modern factory to high quality standards
- Compact size - for exceptional manoeuvrability on smaller plots of land
- Rear three-point hitch with maximum lift capacity of 1100 kg - enables the use of a wide variety of implements
- Choice of matched implements including cultivation, planting and transport equipment
