# Laerskool Lorraine vereer hulle eie 'Queen of Music'

DIE Laerskool Lorraine se jaarlikse musiekkonsert was hierdie jaar iets besonders toe die orkes Juffrou Lilian Koers vereer het vir haar jarelange diens.

Die konsert, wat op 3 November plaasgevind het, het Juffrou Koers in die kollig geplaas by haar 38ste konsert by Laerskool Lorraine.

Sy het die orkes in 1984 oorgeneem by Elize van Rooyen. Nou, reeds 38 jaar later, is die enorme impak opmerklik wat Lilian Koers se musiek op die gemeenskap gehad het.

Die bekende sanger Emo Adams het 'n paar jaar gelede saam met KykNET die skool besoek. Adams wat oral deur Suid-Afrika toer het opgemerk dat hy nog nie voorheen beleef het wat Juffrou Koers met die kinders regkry nie. Hy het later teruggekeer na Laerskool Lorraine om vir 'n konsert saam met die bekwame blaasorkes.

Koers se destydse musiek studente se kinders is nou al in die blaasorkes. Een van die leerlinge wat al jare 'n pad met dié juffrou en die orkes stap, is Michael Swart, die huidige Onderhoofseun vir 2022. Michael het sy eerste musiekkonsert bygewoon nog voor sy eerste verjaarsdag aangesien beide Michael se ouer broers ook voormalige lede van die blaasorkes is. Vandeesmaand het Michael, as trotse orkes lid, sy dertiende konsert onder leiding van Juffrou Koers bygewoon!

Wat hierdie jaar se graad sewes uniek maak, is dat hulle die instrumente waarmee hul by die konsert opgetree het, eers in Januarie 2020 begin leer het. Vir twee jaar het Koers dié groep kinders via WhatsApp touwys gemaak. Hulle het slegs vir twee maande lesse van aangesig tot aangesig gehad en steeds 'n uitmuntende konsert gelewer.

Vir haar jarelange diens het die Klas van 2022 vir Juffrou Koers die spesiale 'Trumpeter Swans' toekenning aan haar oorhandig. Hiermee word sy nie net vereer vir haar uitstaande musikale onderrig nie, maar ook vir die reuse vormende impak wat sy in jongmense se lewens bly maak.

# 'Massey Ferguson Master Mechanics Challenge' is on

**THE *Massey Ferguson Master Mechanic* season two will be released on Friday, November 18.**

Returning in an even bigger and better format, the world's first tractor-based reality show features super-sized challenges to showcase the highly motivated and trained Massey Ferguson technicians throughout the country.

"The life of a technician has changed in recent times with the advent of computers and being connected to the internet. Being a Massey Ferguson technician is filled with adventure, as well as continually learning and being afforded new opportunities. It has now become something special to talk about with your friends around the braai, family and people you come across in your life," says AGCO managing director for Africa Dr Dominik Reus.

The new season will be released on Friday on the *MF Master Mechanic* YouTube and Facebook platforms, supported by all major social media channels. All episodes will be released at once for viewers to binge watch.

Six technicians will compete in three teams of two (red, black and grey) for a R100 000 grand prize. The winning team will also be afforded a once-in-a-lifetime opportunity to visit and train at the Massey Ferguson Beauvais factory in France, where the Massey Ferguson high horsepower tractors are manufactured.

The team selection will be announced in the first episode of four. The epic final challenge will see the teams attempt to successfully replicate a giant version of the iconic Massey Ferguson Triple Triangle logo by spraying it on a field.
